

TENT OPTIONS

Listed is what each area will hold in maximum tent size.

Tent comes in 20' sections and 10' sections.

One, 60" table takes up a 10' x 10' space.

Example: $40' \times 80' = 3,200' / 100 (10' \times 10') = 32$ tables (8 guests at each table) = 256 people

YELLOW BARN COURTYARD

Can accommodate a 40' x 80' tent

32 tables x 8 = 256 take out some for polls, so about 200 max

MILLSTONE GROVE

Can accommodate a 60' x 100' tent that will seat 400 including head table and dance floor.

6 rows of 10 tables = 60 tables x 8 = 480 guests (400 includes room for head table & dance floor.

VISITOR CENTER GROUNDS

40' x 180' tent will accommodate 576 people (no space for buffet)

80' x 100' tent will accommodate 640 people (no space for buffet)

LIGHTING FOR TENTS

Can do globe lighting for a tent 60' x 100' but will need additional lighting in the center because the tent is so wide.

Can do lighting, like a spot light, is a nicer lighting and you wouldn't need the globe lighting with it. 2 cans on each pole. A 60' x 100' tent would need 12 lights.

You can also use chandeliers at a higher cost.

****Landis Valley will coordinate the tent rental for you at no additional cost or you can do it yourself:**
